"I don't usually do this but, Mike Smith blessed me beyond imagination today. I have three boys and one girl. I really had a bad day with one of them yesterday and a bad month with the 14 year old. They were driving me crazy to tell you the truth! I needed a reminder as to why I'm trying to home school. I had forgotten that each of these kids are wonderful gifts from the Lord, and no matter how 'bad' my day, week, month is, God has given me four healthy, smart and caring presents from above! Thank you for a needed reminder." - **Brenda H.**
