

BILL ZECHMANN

Founder of Principles for Living Ministries

A COMMITMENT TO TEACHING...

Bill Zechmann was born in the small rural area of Foster, Nebraska. At the age of eighteen Bill committed his life to Christ and felt God's call to teaching. The verses from James 3:1-2 stood out to Bill: "Let not many of you become teachers, my brethren, knowing that as such we will incur a stricter judgment." (NASU) Taking this to heart, Bill spent decades studying the doctrines of the different Christian denominations in order to help him understand and teach the Bible more effectively. B.A degrees in Biblical Studies and Human Resources' Management also aided him in his research.

STRENGTHENED BY ADVERSITY...

Bill's teachings have been molded through many of the experiences he has had throughout his own life. Bill and his wife were foster parents of thirteen children. They tried for many years to have their own children and had various complications before their eldest son was born. Overcoming adversity became their source of strength. Despite the many health problems and the loss of their second-born child, together Bill and Jane persevered and grew as Christians. Unable to have any more children they adopted a sibling family of three from the Nebraska Children's Home. Regardless of the hardships they have had to face, Bill and Jane maintain that their lives continue to be strengthened by Christ's love.

A MISSIONARY AT HOME AND ABROAD...

Principles for Living was founded by Bill in 2010. While serving as a missionary in the Philippines, Kenya, and Liberia, Bill has ministered to crowds of 5,000 people and has seen hundreds come forward to receive Christ. At home in the United States, Bill conducts personal growth seminars and evangelistic crusades. His teachings are focused on helping the lost find Christ and seek a positive change in their lives.
