Dear Program Director,

Meet Gavin MacCrae: stubborn, impulsive, yet somehow irresistible. Leaving the peaceful countryside to live with his brother the parson, Gavin is in for the ride of his life!

Just next door are the quirky yet loveable Steel twins and their nosy little brother Billy, and it isn't long before a mysterious new novelist moves in down the street. Cocky and confident, Gavin has a plan for how things are going to play out in his life.

However, things don't quite turn out according to plan. Battling peer pressure and pride, our young hero quickly discovers that he's going to need a healthy serving of "humble pie." Yet there is freedom and joy in full surrender—as he is about to discover.

Blessings,

The Lamplighter Team
