Dear Program Director,

Lamplighter Theatre is proud to present the radio drama, "Quicksand: Getting to the Bottom." It's a tale of suffering, bitterness, grace, and redemption set in the United States at the turn of the century.

When Lucy and Harmon Ripley lose their infant son in a tragic shipwreck, their faith is tested as they cling to the truth of Nahum 1:7, "The Lord is good, a stronghold in the day of trouble; he knows those who take refuge in him."

The continuing story follows the adventures of four children, brought together through unlikely circumstances, but used by God to bring healing and restore the forgotten dreams of the people around them. Featuring a shipwreck, a near-death by quicksand, and peril in the streets of Baltimore, this is one exciting drama that your listeners won't want to miss!

We're very excited about what the Lord is doing here at Lamplighter. Since the completion of our own recording studio in 2017, we've experienced God doing exceedingly abundantly above all that we could ask or think! One of our actors from Quicksand recently reached out to us to say that his experience recording this drama was one of the best weeks of his life...and once you listen, you will understand why.

Thank you for partnering with Lamplighter Theatre as we together help fulfill the mission of making ready a people prepared for the Lord (Luke 1:17).

We're listening to your feedback. Let us know how we can serve you and your listeners better. We are compelled to produce captivating dramas with a biblical worldview and value your partnership and appreciate you!

If you have any questions, or if there's any way we can be of further service to you, please call us or email Westar Media Group.

Blessings ahead,

The Lamplighter Team
