Dear Program Director,

We are excited to present the Lamplighter Theatre 14-part audio drama, *The Hidden Hand*! Secrets abound in this masterpiece by E.D.E.N. Southworth.

The rugged hills of western Virginia hid many secrets in the days of the Old South. Gruff, elderly gentlemen like Old Hurricane ruled their plantations like kings, and thieves preyed on unwary travelers. You will be delighted and thrilled as God's own hidden hand moves the lives of rascals and heroes alike to work His plan for good.

Young Capitola begins life under a dark and mysterious cloud, but her fiery enthusiasm for life and adventure turns Old Hurricane and his entire plantation upside-down. Scalawags and saints beware; Capitola will capture your heart and run away with it.

This audio drama highlights God's redemptive power as one of the most important themes. Another feature underscores the heroic acts of an abused servant who will win the day and win your heart. This scene is a Godsend for our times and has a commanding message that gives real hope and direction to the maligned, mistreated, and exploited.
