Dear Program Director,

Let's face it, life can be rough sometimes. For young children, facing the storms of peer pressure and pride can easily steer them off-course. In this audio drama, young Jack Hamilton will quickly find his faith challenged as he navigates these storms. It doesn't help that he is quickly dubbed *King Jack* for his excellence in running, swimming, and playing cricket.

With his rise in popularity, he comes face-to-face with the young man he is about to become. The choices he makes will determine his whole future. However, a foolish promise leads to broken relationships. Now young Jack faces the ultimate trial. He knows that God will show him what is right, and the way to do it, but he struggles to control his temper. "Stick to the truth and bide your time," says gentle Cyril Fane. A truth easier said than done. In the newest chapter of his life, join Jack as he learns the secret to humility through life's fiery trials.

May this story be the catalyst that brings life-change in all who hear it.

Blessings,

The Lamplighter Team
