Dear Program Director,

This presentation, “The Basket of Flowers,” is based on a classic book that dates back to the late 1700s and enjoyed by families around the world for over 200 years. It was first written in German, then translated into French and English. *The Basket of Flowers* was also the very first book published by Lamplighter.

The book was authored by Christoph Von Schmid, who also wrote a children’s Christmas carol, “O Come Little Children.” If you listen closely, our amazing composer John Campbell has weaved this beautiful carol into the music score.

You’re an important part of the Lamplighter Theatre family, and we thank you for joining with us as we continue to bring redemptive hope to a lost world, building character one story at a time.

If you have any questions, or if there’s any way we can be of further service to you, please call us or email Westar Media Group.

By His grace,

The Lamplighter Theatre Team
