Dear Program Director,

Welcome to the Lamplighter Theatre production of *Frozen Fire*—one of the most dramatic stories we’ve ever produced, full of twists and turns and surprises.

Betty Levan is a courageous little girl who trusts God in the midst of a deadly snowstorm, through the struggles of a lifelong friend, and ultimately when she faces death itself—with a faith that will challenge your own.

Inspired by a true story, Betty bravely volunteers for a doctor’s experiment to cure the deadly smallpox virus. If the experiment fails, she will be disfigured for life or will die. It’s a tale of persevering faith, sacrificial love, and dauntless courage.

And that’s just half the story! Behind the scenes, God pulled together several amazing miracles in a short time to make this show become a reality.

In closing, we want to say how much we appreciate you being such an important part of the Lamplighter Theatre family! God is using these shows to draw people closer to him, and strengthen their walk with him. And this couldn’t happen without you!

Please let us know any way we can serve you better.

Blessings ahead,
The Lamplighter Team
