A Note from the Producer

Dear Program Director,

In this adventure, we take you to the front lines of the French Revolution where Jacques, his wife and two children huddle inside their home as the sounds of gunfire draw closer.

Jacques is a wealthy man who gives generously to the poor. But his wealth makes him a target for the revolutionaries who consider him part of the aristocracy. Soon, the life of Jacques and his family will change forever: he will face the guillotine, as his wife and children become fugitives on the run.

It's a dark time for this family— outwardly, they struggle with life and death. Inwardly, they wrestle between fear and faith.

The Unexpected Return **is a story that will encourage your faith and inspire you to pray for our brothers and sisters who are persecuted and often die for their faith. You'll also find yourself asking, what would my family do if they faced persecution?**

It's a blessing to bring Lamplighter Theatre to you. And we are amazed at what God is doing. We continue to add more and more stations to the Lamplighter Family, and we're encouraged by the many enthusiastic letters and phone calls from listeners and stations.

Thank you for being part of our family and this story of God's faithfulness! And please let us know if there's any way we can better serve you and your listeners.

Blessings,

The Lamplighter Team
