***What's new: Seven part Series + Powerful Evangelism Tool***

**Dear Program Director,**

**We are pleased to present to you A Peep Behind the Scenes. The book was written in 1878 and quickly sold over two and a half million copies! Now, over 100 years later, this beloved story comes to life as a powerful audio drama.**

**A Peep Behind the Scenes welcomes you aboard a horse-drawn caravan as we take you on the road of the traveling theatre in 1800's England. You'll meet Augustus, the former Shakespearian actor who lives in the very small world of himself...Nora, who long ago was lured into the life of fame--and has regretted it ever since...and Rosalie, with a faith that shines bright in a very dark world.**

**You'll also meet a host of other beloved characters during their traveling journeys. Along the way, through the people they encounter, this family is confronted with the love and open arms of the Good Shepherd.**

**A Peep Behind the Scenes was recorded in London with BBC writer and director Philip Glassborow and some of the top actors in the United Kingdom. A few times, our Executive Producer Mark Hamby was so touched by their performance, he had to step out of the studio. (Don't worry—he came back!)**

**We believe this story is a powerful tool to lead many to Christ. Would you please join with us in helping promote this powerful evangelism tool? Thank you!**

**Blessings,**

**The Lamplighter Team**
