What's new: Parent Advisory for Part 5

Dear Program Director,

The Robbers' Cave takes you into the secret hideout of the banditti, where we find Horace Cleveland held hostage. Horace had been visiting Italy with his mother when they were ambushed. Now he's being held for ransom—with seven days left to live.

Horace befriends a very unusual member of the banditti, the mysterious Raphael, who is actually a Christian on a dangerous mission. It's an adventure with surprising twists and turns that you and your listeners will love!

Parent Advisory for Part 5

Some scenes in Part 5 might be intense for younger listeners. So, we've added a Parental Advisory to the top of the show. Here's the script for the advisory:

We want to thank you for the wonderful comments you've been sending to us. Our goal is to create redemptive entertainment that you can enjoy as a family.

From time to time, we'll have stories that may be a little intense for younger listeners.So, make sure to get your parent to listen with you.

Our standard is the Bible—great stories that may be intense at times, but always within the boundaries of discretion.

Again, thank you for your encouragement. We hope you continue to enjoy Lamplighter Theatre as a family...as much as we enjoy creating these shows for you.

Blessings,
