Dear Program Director,

Lamplighter Theatre is a world-class audio drama brought to you by the former writers and producers for Adventures in Odyssey and Focus on the Family Radio Theatre. Lamplighter Theatre brings to life treasured stories from the Lamplighter Family Collection of Rare Books—books that have come to us from around the world and across the generations.

Hosted by famed British actor John Rhys Davies (Gimli the Dwarf in The Lord of the Rings, Sallah in Raiders of the Lost Ark), Lamplighter Theatre takes you into the curious shop of Finnian Jones.

Finnian is an eccentric collector of antiques, coffees and teas, and stories from his travels across the globe. He dispenses books like a pharmacist dispenses prescriptions. And he always happens to have just the right book for whatever "ailment" you might face.

Take a ride on Rollo the Riding Ladder through Finnian's Exploratoreum--featuring a treasure trove of books "seven stories high and thousands of stories deep." And each book takes you away to an "unexpected journey...one you are about to experience."

Lamplighter Theatre launched in 2009 with around 600 radio outlets. Since then, God has blessed the show—to over 1,400 radio outlets! We're honored to now air in 26 countries.

Lamplighter Theatre presents a beautiful and unusual Christmas story for your listeners...The Candle in the Window.

Story Summary

Tully wants more than anything to make his teacher smile. But no one knows that Miss Ravenstow is trying to escape the pain from her past. No one, that is, except Tod the mailman, who holds in his hands something far more valuable than a special delivery. It will take a miracle to survive the blizzard on that fateful Christmas Eve, but he knows that Christmas miracles are all about special deliveries.

Discover a very special Christmas story that opens the door for those seeking shelter from the pain of their past. Inspire your entire family with a beautiful portrayal of how a simple candle in the window can bring hope for the future and an encounter with the Light of the world.

Lamplighter presents The Candle in the Window. From now on, you may just look at those around you in a whole different light!

Thank you for sharing this unforgettable story with your listeners!

Blessings ahead,
The Lamplighter Team
