Dear Program Director,

Lamplighter Theatre is thrilled to present the Christmas audio drama, *The Unlikely Wise Man*. Your listening audience will laugh and cry as they learn together how God sent a child to show us our way back home.

Here's a word from station manager Patrick Powell of station WZXV, The Word in western NY:

"Recently, I and my family were blown away by *The Unlikely Wise Man*. From one production manager to another, please know that your listeners will be greatly blessed by this wonderfully redeeming story."

When people are living in unprecedented times, God usually works through unprecedented means.

We're excited to share *The Unlikely Wise Man* with your listening audience.

Blessings ahead,

The Lamplighter Theatre Team
